CIA Participation in OIT Studies for NSRB Mobilization Plans

REFERENCE : Letter from Mr. L. K. Jacy, OIT, to DCI, dated 4 April 1950

1. Attached hereto for your signature is a memo to the Acting Director, Office of International Trade agreeing to CIA participation in export-import studies for NSRB mobilization planning.

2. It should be noted that this memo also sets forth general restrictions on CIA participation in these studies and related programs which I believe carry out the policies stated in your memo of 20 April 1950 to this office.

3. After initial discussions have been held between [REDACTED] and Mr. Foster of OIT, and a definite requirement for CIA participation has been established, OIT will draw up specifications to govern CIA relationships with OIT on the studies and the type and classification of matters to be handled. These specifications will be provided to the Chief, Inspection and Security Staff for review and recommendation and OGD for information and guidance.
